REPORT OF CONFERENCE SUPERINTENDENT

Mr. Chairman and Members of the Conference:

It is with a deep sense of gratitude to God and my conference that I come to you with my report today. I can report that I have endeavored to live in a way that Pentecostal Holiness (as we know it) would not only be a theory, but a real experinece to be seen in my life by others. I am saved today, sanctified and baptized with the precious Holy Ghost. I am looking for the soon coming of our blessed Lord.

My Work

I have served as superintendent of the North Carolina Conferfence. I also had to pastor a church the major part of the year.

This was an added responsibility and addition to the work of the superintendency. I agreed to take this added work after efforts put forth to successfully supply this pastorate had failed.

I have preached 184 times including 44 radio sermons, have taught Sunday School classes 34 times, served as editor of the Conference Evangel, served as director of Conference Evangelism, dedicated one church, managed and preached in the Chocowinity Camp Meeting, managed the Falcon Camp Meeting. I conducted one short revival in Kinston, had charge of Christian Worker's Insititute, presided over 24 district conferences and all board meetings, attended 4 Orphanage Board meetings, 3 General Board meetings. I attended the annual Woman's Auxiliary Con-

vention, Youth Convention, and Sunday School Convention. I attended the General Conference in Memphis which covered about three weeks, serving in the General Youth Convention, General Sunday School Convention and General Conference. I have written approximately 1200 letters and answered many telephone calls, served as general purchasing agent in the direction of the conference parsonage, also kept the payroll and paid the workmen. (This I could not have done without the assistance of my wife). I have visited a number of the churches and assisted in settling difficulties both in the churches and among preachers.

God has given me added strength for the additional duties. The Conference Board has been very nice to assist in all I have asked them to do.

Finances

I have received a total of $4,900.00 for my services. This amount includes an extra $200.00 from the conference treasury for the additional responsibilities. I was paid 5c per mile for the 12,000 miles I traveled in connection with the conference work. I have paid a total of $517.40 tithes. $400.00 of this amount was paid into the conference treasury.

Progress of Conference

At the General Conference we had 121 churches, 5,515 lay members and approximately 45 full-time pastorates. This conference was first in many fields during the last quadrennium in including the largest amount paid for general purposes and the largest net gain in membership which was 2,121.

There is much yet to be done to strengthen many of the weak churches, but all and all God has blessed us greatly.

Recommendations

It may seem presumptious on my part to offer the following recommendations, but I keenly feel a responsibility, and what is done about these things will be with the conference. The following is needed:

1. A clearer understanding as to who should organize new churches and when they should be organized.
2. A continuation of the evangelistic program with a concentrated, intensified effort being put forth to reach the more than eight hundred hamlets, villages and towns throughout Easern North Carolina who have not yet heard or accepted Pentecostal Holiness.
3. The Official Board should be given specific authority to contact colored groups with the thought of organizing Pentecostal Holiness Churches among them.
4. The conference should understand the work involved both in the superintendency and the conference treasury and authorize the Conference Board to employ a full-time secretary if possible. All conference business would be handled from the office by this secretary but each official assuming responsiblity to see that his work is done.
5. Last, I recommend that all of us put God's work and the need of the conference over and above any ambition or desire of

our own, and follow Paul's admonition to the Romans (Romans 12:10) "In honor preferring one another." In so doing, every need of this conference will be taken care of, and our own needs will not go lacking. What I request of you, I do now and shall endeavor to carry out for myself.

Signed:
W. Eddie Morris, Superintendent

We further recommend:

5. That in case of pastoral change, the local church shall defray the moving expenses of the incoming pastor.

6. The loyalty of our fine church people in the matter of supporting their pastors is highly appreciated, but in cases where our pastors are not being adequately supported, we recommend that the conference superintendent visit these churches and confer with the local boards relative to better pastoral support, and in such cases, the pastors should feel free to call upon the superintendent and arrange such visits.

7. That each local church send ten percent (10 percent) of the funds from its treasury to the treasury of the North Carolina Conference, and that the conference treasurer send ten percent (10 percent) to the general treasury.

8. That the funds raised by the local churches for the following purposes: World Missions, Orphanage, Education, General Evangelism and General Fund, be sent to the conference treasurer to be forwarded monthly to the general treasurer, pro-rated according to the General Conference regulation, except, special "ear-marked" offerings which are to be pro-rated.

BY-LAWS PASSED BY THE N. C. CONFERENCE

1936—"All ministers shall keep a record of their work, number of sermons preached and finances."

"The names of all deceased ministers shall be placed in the Minutes."

1937—"All ministers shall use blanks prepared for making reports."

1941—"All candidates for the ministry shall be a member of the local church six months before convening for the annual conference."

"Each church voting for pastor shall vote by ballot; result of said ballot be forwarded to conference superintendent seven days before conference convens."

1943—"The secretary shall prepare a Ministerial Financial Record to determine who is eligible for support from the superannuate fund."

1945-53—"All lay members shall pay their tithes into the church treasury; that the pastors encourage election to the official board of those who comply with the tithing system."

"All ministers pay seventy-five (75) percent of all their tithes, both ministerial and secular, into the conference treasury; the remaining twenty-five (25) per cent into the church where they hold membership or may serve. This shall not apply to superannuated ministers."

"That no minister shall be elected to any official position or be permitted to pastor a church who does not comply with the above financial system, or otherwise fails to meet his financial obligations." See Finance Committee's Report 1953.

"That all churches pay their pastors their salary for the Sabbath during the annual conference session."

1947—"The Committee on Division of Labor give due consideration where practicable to churches and ministers involved in radical changes contrary to the expressed wishes of the churches."

1948-52—"All candidates for membership in the North Carolina Conference shall satisfy the Board of Examiners that they have met the requirements of the discipline for license and ordination."

"The Board of Examiners shall not consider the application of any person for admission to this conference for license or transfer from another denomination unless such person is sponsored by three Pentecostal Holiness Ministers who vouch for his or her character." Resolution Committee's Report 1952.

1949—"That no church lot or church building be purchased by any preacher or congregation until it has been approved by the conference board."

"That the conference superintendent be given a two-week vacation during the year with pay. He shall be allowed to conduct one revival meeting outside the conference boundary if he so desires, and pay for such services shall not apply on his salary."

"That all evangelistic campaigns or prayer meetings conducted by our Pentecostal Holiness people within a radius of one mile of a Pentecostal Holiness Church be under the direction of the pastor or church board if at all possible."

"That the conference continue the code of regulations adopted by the Board of Examiners."

"That members of the conference board when traveling in the interest of the conference work, be paid the rate per mile as the superintendent."

"That the moving pastor refrain from making frequent visits to his old pastorate to the extent that he may cause confusion and lack of cooperation of the church with the new pastor. Any minister who infringes on the rights of any pastor shall be referred to the official board."

"That the work of the stationing committee be conducted in short sessions over a number of days, giving the committee ample time to deliberate without becoming too fatigued through long sessions, and designating certain sessions as the time certain groups or delegates or ministers may come for interviews, and providing that no pastoral moves be made without adequate consultation with parties concerned, thereby removing at least a large amount of secrecy which has heretofore surrounded the work of the committee, and making for what we believe a more satisfactory system of labor division." See Resolution 1951.

"That the conference board arrange for a lecture on the Sunday school lesson to be delivered on each of the two Sundays of Falcon Camp Meeting; this lecture to precede the eleven o'clock service."

1953—"That the officials of the Woman's Auxiliary be given an opportunity to present their work in the district conference." Woman's Auxiliary report 1953.

Report of Committee on Extension and Evangelism

The Sunday School has been called the out-reached arm of the church, because it is the only organization of the church whose ministry includes all of the people of the community:

1. Since it has been estimated that 20 per cent of the population may be kept from attending Sunday School by work and illness, we feel that the extension department of our Sunday School is weak.

A. That the extension department be a definite department in every church, with a corps of workers whole-heartedly engaged in its important ministry.

B. We urge that each Sunday School survey the possibilities in old folks' homes, hospitals, soldiers' homes, detention homes, jails, sanitoriums, penal farms and the like.

C. That we not overlook the possibilities of ministering to those who are unable to attend Sunday School because of work, the shut-outs. These might include bus drivers, radio station employees, those who work in restaurants, hotels, and service station employees, those who work in hospitals, nurses, firemen, and policemen.

D. That the extension department increase its work with the bedridden, and the shut-ins.

2. That each pastor, Superintendent, and teacher emphasize the need of salvation and make a special effort to present the beauties and advantages of Christian living, and thus aid in bringing pupils to a saving knowledge of Christ.

3. That a committee be elected to contact and invite to Sunday School newcomers and non-churched people of the community. Also where practicable, each class have its own attendance committee.

4. Many churches are born out of a Sunday School. Therefore let the churches where practicable organize, promote, and foster extension schools in cities, towns, communities where we do not have churches.

5. While the Sunday School is primarily the teaching arm of the church it is also one of the greatest avenues of evangelism.

A. That attention be given to community census, public school census, and church family census.

B. That the Sunday School be made a part of evangelistic campaigns by:

1. That pastors and evangelists be Sunday School minded.

2. That decision days be linked with Revivals.

3. That we have Sunday School nights when classes sit together.

We your Committee on Extension and Evangelism recommend the adoption of the report of last year.

We encourage each pastor to read and study this report with their Officers and Teachers.

H. D. Marshburn
Mrs. Hubert Morris
B. C. Horrell

Report of Committee on Christian Education

We, your committee recommend the following:

1. That the Sunday School Official Board, including the District Directors, promote the Christian Workers Course as recommended by the General Sunday School Association.

2. That the Status Committee in the various districts be furnished with a form by the Sunday School Association Secretary to be filled out by a said committee and be sent to the Sunday School Association President.

3. That the Conference Board arrange to include a class on Teacher Training in the curriculum in the Christian Workers Institute.

4. That there be officers and teachers meetings held regularly, preferably once a month, to discuss the problems of the Sunday School and general advancement thereof.

5. Each Sunday School arrange for a Teacher Training Course during the year. We further recommend that, in case of our smaller churches not being able to afford a Teachers Training Course, the District Directors endeavor to arrange for financial assistance from the treasury of the Conference Sunday School Association.

6. We suggest that, where practicable, pastors conduct a weekly meeting for the instruction of teachers and prospective teachers in the Sunday School Lesson and Christian Workers Course.

7. That the District Director visit each Sunday School, preferably at the Sunday School hour, but where that can not be arranged we suggest he meet with the officers and teachers in their monthly meeting.

8. That our schools try to make some profitable use of old or unused literature; we suggest that distribution of this be made in jails, prison camps, etc.

Signed:

T. O. Todd
Mrs. Sherrill Gurganus
Joe Waters

Report of Committee on Orphanage and Missions

In view of the fact that we have an orphanage of our own to support, and that there are many children who need the care which can only be obtained in such an institution, and because funds have often been far short of what was needed to properly care for this work, we deem it necessary to put forth a greater effort to promote this worthy cause. Many times also our

missionaries have not been fully supported and the missionary enterprise in general is in desperate need of greater interest on the part of all.

Therefore we recommend that all of our Sunday Schools put on Orphanage and Missionary programs to stimulate interest in these two phases of God's great work.

The twelve dollar a year club plan, which is being promoted by the Goldsboro Brotherhood, is worthy of careful consideration, and we advise other schools to emulate their example.

Business and church organizations everywhere are expanding, they are investing millions to promote the progress and success of their respective interests. We must not lag behind. We must not only maintain our orphanage and missionary work as it now stands, but we must expand.

Other groups are sending out hundreds of new missionaries, let all of our Sunday Schools take regular offerings for the promotion of these two great fields of labor.

Signed:

Wilbert B. Godwin
Mrs. Lonnie A. McRoy
Roy Piver

REPORT OF COMMITTEE ON RESOLUTIONS

Report of Prohibition, Temperance and Public Morals

In view of the fact that since the repeal of the 18th Amendment, juvenile delinquency has increased by leaps and bounds and that the liqour traffic, with all other agencies of the devil, such as tobacco evils, the destructive forces of moviedom, degrading literature and language unbecoming to Holiness is on the increase, we recommend the following:

1. Realizing the necessity of greater interest and better cooperation, we call upon our people to unite in prayer and effort for the success of the obligation imposed in our Sunday School work.

2. That all the workers in our Sunday School seek an enrichment of spiritual living by patterning their lives after the instructions of God's Word and adding to the truth taught by our church, and urge those pupils with whom they work to do so.

3. In the light of the increasing crime wave among the youth of our land we urge our Sunday Schools to put forth greater effort to entertain our youth with social gatherings of Christian atmosphere.

4. We urge all Sunday Schools to cooperate with the Woman's Christian Temperance Union.

5. We urge each Sunday School to formulate some plan whereby our Youth may be thoroughly educated as to the evils of attending commercial movies and indulging in the traffic and use of intoxicants and narcotics.

6. That avoidance of Sabbath desecration be taught the Sunday School pupils, and that emphasis be placed upon reverence of God's House. We further recommend that the youth be taught to honor and respect their superiors.

Respectfully submitted:

McElree Purifoy
Leonard McMurtrey
Mrs. L. R. Lawrence

Report of Committee on Finance

We, your Committee on Finance, submit the following:

That all Sunday Schools observe the order of the Annual Conference by paying 10% of their regular offerings into the Sunday School Association Treasury, and that a copy of this report shall be sent to each Sunday School via the pastor in order to get this program working in said schools at once.

2. That Sunday School Association officials and District Directors visiting individual schools shall be paid 5c per mile for official travel.

3. That the Superintendent and teachers of each Sunday School encourage liberal giving in the offerings rather than the outmoded "penny" idea.

4. That churches having teacher training schools shall provide proper remuneration for the person doing the work.

5. That the President's work and salary be left with the Sunday School Board for the ensuing year. That the Secretary be paid $15.00 per month for the ensuing year.

Report of Committee on Memoirs

We, your Comittee on Memoirs submit the following report:

Whereas, it has seemed good to our heavenly father to call from the walk of this life the following members of the Sunday School of the N. C. Conference, and knowing that God is too wise to make a mistake, we reverently bow to His will.

Mrs. Anna Johnson, Kinston, N. C.; Mrs. Maggie Tyndall, Kinston, N. C.; Mrs. Lloyd Eatman, Wilson, N. C.; Miss Autry, Tyndall Grove Church; Mr. Marvin Hassell, Roper, N. C.; Mrs. Annie Mae Rogerson, Greenville, N. C.; Mrs. Robinson, Williamston, N. C.; Mr. Mills, Hopewell Church; Mrs. Lula Everett, Tarboro, N. C.; Mrs. Georgie Morris, New Bern, N. C.; Mrs. Bessie Ragan, Fuquay Springs; Mrs. Mollie McArthur, Sharon Church; Mrs. Nelson Lee, Scotland Neck, N. C.

Our hearts have been made sad because of the departure of our friends and fellow workers, who have been faithful in the work of the Lord, but we feel that our sadness will be but for a season, and we shall be reunited in that place where death

will be unknown, and Christian friendship never breaks up.

We will keep them in memory, and be grateful for the service they renderd while they were with us.

Respectfully submitted:

E. W. Downing
D. J. Little
B. S. Mozingo
